HERITAGE BUILT ON INTEGRITY

Starcraft 1903 • Smoker Craft 1921 • Sylvan 1948

As one of the last surviving family-owned-and-operated boating companies, we hold tightly to the same values we were built on five generations ago—integrity, leadership and loyalty. They are deep-rooted into who we are and extend throughout our 500 team members that deliver high-quality marine products, outstanding customer service and unsurpassed value. In wake of an ever-changing industry landscape, we continue to put our heritage on the line with new lineups that are responsive to both our dealer network and today's boat buyer. It's about our commitment to you being able to depend on all Smoker Craft, Inc. brands for the quality, performance and service you're looking for. It's about providing the best value on the water—from our family to yours.

GIVING BACK

More than a century of success does not come easily. It's the product of an outstanding workforce of over 500 employees, many of whom come from the community around us. Without their support, we would not be who we are today. That's why we're honored to return this support by giving back to countless local and regional charities. With that spirit, we're also busy advocating for the boating community and the marine industry through opportunities made possible by BoatPAC, including testifying and lobbying on Capitol Hill. Recently, Smoker Craft Inc. was honored to receive the inaugural Advocate of the Year award, presented by NMMA and BoatPAC. We're privileged to give back to the communities and industry that have given so much to us.
